

River Tree Arts WELLNESS CHECKLIST (for Faculty, Students, and Caregivers)

(based on information from the CDC)

Any individual planning to enter the River Tree Arts building is asked to self-screen prior to coming onsite and not to attempt to enter the establishment if any of the following are present:

- Symptoms of COVID-19 (see below)
- Fever equal to or higher than 100.4oF*
- Are under evaluation for COVID-19 (for example, waiting for the results of a viral test to confirm infection)
- Have been diagnosed with COVID-19 and not yet cleared to discontinue isolation

People with these symptoms may have COVID-19:

- Fever or chills
- New Cough
- Shortness of breath or difficulty breathing
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus.

This list does not include all possible symptoms. CDC will continue to update this list as we learn more about COVID-19. [Click here for up to date information.](#)
